LASER ENGRAVING

-All custom laser engraving orders carry a \$5.00 set-up charge per invoice/order (not per plate) and a \$50.00 minimum total order. Due to the high setup costs for laser engraving, we highly recommend Diamond Drag for small quantities.

-Plate and letter charges follow the diamond drag pricing schedule.

-Laser engraving requires a 7 day lead time.

-We can engrave logos, however, art must be black and white.

We can also convert color art to black and white if necessary at a per hour retouching charge. Charges are as follows:

-Logos from your black and white artwork \$25.00 "Art Set-Up" charge on first time orders with that particular logo. Repeats incur no "Art Set-Up" charge (Standard \$5.00 per invoice set-up charge still applies). Email us your artwork.

-If artwork requires retouching, \$40 per hour rate applies. Estimate will be provided.
